

# A cosy evening at Brewbaker's kitchen & bar

**An escape haven for diners who are looking for a cool and stress-free environment where they can chill out with friends over freshly brewed beers**

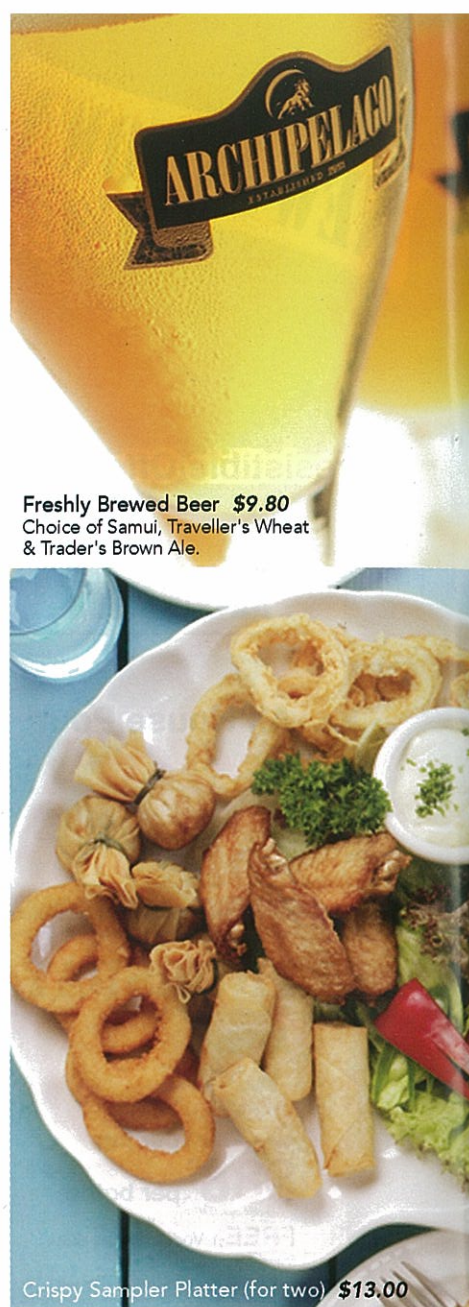

Brewbaker's kitchen & bar situated in Anchorvale C.C. is set against a backdrop of the Punggol River, the Sengkang Fruit Nature Park and the Sengkang Sports and Recreational Centre which boasts a number of facilities. It combines a casual atmosphere, friendly service and is the ideal dining venue for you to enjoy your meal or relax over an after-dinner drink. Diners can choose to dine alfresco or in our main dining room. You can also choose to relax in the lounge area with your favourite freshly brewed crafted beer or sample our large selection of wines. Live-Screening of soccer matches, pool table and board games are also available if you are planning on a bonding session with your friends.

Diners can expect a comprehensive western menu and a large selection of beer and wine. The menu showcases a variety of Charbroiled Steaks and Live Maine Lobsters, Salads, Seafood, Pizza and Pasta as well as a tantalizing array of desserts that will keep you coming back for more.

**Editor's recommendations:** I personally like the Cream of Fresh Shiitake Mushroom soup, it comes with chunks of shiitake mushroom and cost only \$4.80. The Escargots a la bourguignonne selling at \$9.80 for half a dozen is also a must try. Our recommendation for main course would be the Braised Lamb Shank, priced at \$16.80 the portion of the oven-braised NZ lamb shank is pretty generous and it's served on a bed of mashed potato topped with their special Chef's gravy.
